

Join a Cub Scout Pack near you!

Boys and Girls who are in Kindergarten through fifth grade (Ages 7 to 11) can be a Cub Scout.

Five reasons why your child should be a Cub Scout:

1. **Fun, Outdoor Activities-** camping, hiking, fishing, games, etc. Help them to take a break from electronics!
2. **Try New Things-** Create art and music, build a Pinewood Derby car, learn magic tricks, make your own game, etc.
3. **Learn Important Skills-** read a map, tie a square knot, learn basic first aid, using tools, etc.
4. **Character Development-** Cub Scouting reinforces trustworthiness, respect, responsibility, fairness, caring, and citizenship.
5. **Build Friendships-** Kids can be themselves in a positive environment. Cub Scouts work in groups, developing confidence and forging social ties along the way.
