Community

The Dallastown Area School District is a community located to the south of historic York, Pennsylvania (34 miles south of the state capital of Harrisburg and 45 miles north of Baltimore). Our diverse population includes agricultural, manufacturing, and service industries. The district has a population of approximately 41,000 living in an area of 52.5 square miles. Our surrounding community takes great pride in our school's tradition of excellence.

Our School

Our high school recently transitioned from a traditional high school schedule with four grading periods and a school day divided into eight 42 minute periods to a trimester schedule beginning in the 2016-2017 school year. Our trimester schedule includes 181 instructional days divided into three equal grading periods and 5 daily class periods, each 66 minutes in length. Courses are all worth .5 credits, with students earning 1.0 credits or more for major coursework split over multiple trimesters. We offer multiple levels of course rigor which include college preparatory, honors-level, and AP courses.

Grade Point Average

Grade point average (GPA) is calculated at the end of each year. Advanced Placement and honors-level courses are calculated on a 5.0 scale while all other courses are calculated using a 4.0 scale. Courses graded using an O, S, and U scale are not included in a student's GPA calculation. The GPA is reported on a weighted/unweighted 4.0 scale.

Covid-19 Grading

Dallastown Area High School closed on March 13, 2020 due to the Covid-19 pandemic. We had just started our third trimester. Students were graded on a Pass (P)/Fail (F) grading scale based on their performance during the third trimester. Students' grades of P/F were not used in the calculation of a student's overall grade point average.

Grading System

A = 90 - 100	P = Passed with credit
B = 80 - 89	F = Failed - No Credit
C = 70 - 79	I = Incomplete
D = 60 - 69	EX = No grade
E = 0 - 59	O = Outstanding
	S = Satisfactory
	U = Unsatisfactory
